Sir,

We beg to submit the following to your kind consideration and favourable disposal.

As per Madras Government Order No.700 dated 1st. August 1920 the Sub-Assistant Surgeons of Madras have been drawing an allowanc of 25 per cent of their salaries owing to changed conditions pend permanent reorganisation of pay. When we applied for the same all ance about the beginning of this year we were given to understand that our pay will be revised permanently. Though all the time we were patiently expecting this revision, we are given to understan now that the question of permanent revision is still under consid tion. In these hard days, as we are put to much difficulty to mak both ends to meet, we humbly request that you will be kind enough to get us at least the above allowance which the Madras Sub-Assis tant Surgeons have been drawing for the past 16 months, and which understand has also been sanctioned by the Hon'ble the Resident t the Sub-Assistant Surgeons working in the Municipal Dispensaries, Civil and Military Station, Bangalore with retrospective effect.

In this connection we beg to point out that we were assured while we were entertained that we will be treated on the same lev as Madras Sub-Assistant Surgeons for all practical purposes.

We further beg to add that we may be included in the Madras Cadre so that we may have the same facilities that are shown at present to the Sub-Assistant Surgeons regarding pay and emolument promotion to Assistant Surgeon's grade, independant charges of di pensaries, granting of leave etc., This step we are sure will mak things easy for both of us.

For which act of kindness we shall ever be grateful.

Subject:- Grant of temporary allowances to the Sub-Assistant Surgeons in the Bowring Hospital, Civil & Military Station, Bangalore.

Sir,

I have the honour to invite a reference to your Memorandum No:729-Est.A., dated the 1st March 1919, conveying sanction to the grant of enhanced pay to the three Sub-Assistant Surgeons, employed in the Bowring Civil Hospital, Civil & Military Station Bangalore, according to the scale sanctioned by the Government of Madras for Sub Assistant Surgeons. 2L.44 240-1910

2. In their order No.700-Financial, dated the 2nd August 1920, the Government of Madras have sanctioned, with effect from the 1st April 1920, temporary allowances for all whole-time non-gazetted subordinates at certain rates. The Sub-Assistant Surgeons in Madras are in receipt of those allowances but the Sub Assistant Surgeons employed in the Bowring Hospital cannot draw them without special sanction in view of the fact that the Government of India were averse to the introduction of such allowances in the offices in the Station and directed the submission of proposals for their permanent revision. Proposals to that effect and were submitted with Mr. Barton's letter No.1004 dated

ted the 17th November 1920, but they did not include the t... b-Assistant Surgeons in question, as their pay is regulated by the dras scale (see Mr. Cobb's letter No.160, dated the 8th January 192b, d it was considered advisable to defer the submission of revision oposals in their case till the Madras Government had revised the pay Sub Assistant Surgeons in the Madras Presidency. It is understood at no orders have yet been passed in the matter by that Government. o Sub Assistant Surgeons employed in the Bowring Civil Hospital have n petitioned that they may be given temporary allowances at the dras rates with effect from the 1st April 1920, pending the permanent vision of their pay and the Residency Surgeon supports their request. it is not known when the pay of Sub Assistant Surgeons in Madras ll be permanently revised I consider that the relief now asked for ght reasonably be given for the reasons -

(a) that Sub Assistant Surgeons in Madras have been in receipt of it since 1st April 1920,

(b) that the pay of all ministerial establishments here under the Resident has recently been raised on account of the high cor of living, an argument which applies also in the case of Sub Assistant Surgeons here, and

(c) that the Municipal Commission, Civil & Military Station, Bangalore, have sanctioned the payment of temporary allowanc to the Sub Assistant Surgeons employed in Municipal - - Dispensaries with effect from the 1st April 1920 in - - accordance with the rates sanctioned in the order of the Government of Madras referred to above, and I have confirmed the sanction.

3. In the circumstances I trust that the Government of India will accept my recommendation that the 3 Sub Assistant Surgeons in question may be permitted to draw, from the 1st April 1920, the temporary - allowances mentioned in the Madras Government Order No.700, dated the 2nd August 1920, pending the permanent revision of their pay. Proposals to that end will be submitted as soon as the Madras Government revise the pay of Sub Assistant Surgeons in the Madras Presidency.

3 Sub Assistant Surgeons 1(65),2(60) at Rs.18/- each	Rs. 54/- per mensem

4. The additional cost involved by this proposal amounts to Rs.54/- per mensem or Rs.648 per annum.

The recurring grant of Rs.1,240/- now asked for is required to meet the cost of temporary allowances proposed to the Sub Assistant Surgeons in the Lowing Hospital, Civil & Military Station, Bangalore, with effect from the 1st April 1920.

It is understood that no orders have yet been passed in the matter by that Government.
